

MNJAC RNC Intelligence Operations Center Message

MNJAC Partners,

Over the next two weeks MNJAC personnel will be committed to the Support of the RNC Intelligence Operations Center. We anticipate that due to limited staffing and high work load, there will likely be a disruption of our regularly disseminated LE Brief. We expect that as RNC related incidents unfold the MNJAC will disseminate via ICEFISHX authorized intelligence products to the law enforcement communities affected.

Please continue to forward any non-RNC related intelligence and/or non-RNC related requests for information to the MNJAC at ICEFISHX.org or by calling our general number of 612-373-2840. Thank you for your understanding in advance.

Very Respectfully,

The Minnesota Joint Analysis Center
