Subject: In the interest of full disclosure

My disclosure – I am an intern in Mike Hatch's law office.

I have talked to Mike Hatch. I think that as long as Representative Simon spends his time talking about his time working down the hall from Lori Swanson, he ought to disclose to the people the facts and circumstances under which he was transferred without his consent from the consumer division to the education division by Lori Swanson.

Best wishes,
Debra Hilstrom
State Representative
379 State Office Building
Saint Paul, MN 55155
651-296-3709
