2008 - Cullen Sheehan and Norm Coleman vs Al Franken

Dear Attorneys:

Enclosed please find a copy of Mr. Lillehaug's "Taxation of Costs and Disbursements". Having reviewed the court file along with Mr. Langdon's objection's to costs, I have determined what is allowable at this level of the court.

Tab A: Filing fees paid to the court all are allowed.

Tab B -C – D: Used on the record at trial or excepted as Exhibits by the court -allowed.

Tab E: All allowed.

Tab F: Exhibits are allowed – Order of the court signed and filed 1-23-09 required parties to submit daily exhibit books for Judge, law clerks.

Tab G: Award -0- having reviewed the information in this section I am unable to determine what is discovery and what has been presented on the record at court.

Tab H: \$ 1,161.15 allowed.

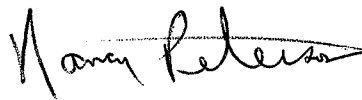

Tab I: Award -0- Courier service is a cost of during business. Photocopy's only allowed if exhibits.

Tab J: Subpoena and Witness fees are allowed but not check handling fees. \$ 18, 999.07.

If you disagree with what I have or have not allowed, a hearing will have to be scheduled before the Judge's that heard the case.

If a hearing is required, it should be scheduled with Chris Channing at 651-266-8260. Please let me know in writing within ten work days the hearing date and time. If I fail to hear from you within that time, I will forward costs to the Judgment Department for entry into Judgment.

Sincerely;

A handwritten signature in cursive script that reads "Nancy Peterson".
